IC: Import Clearance  
U: Unloading  
1. Although insurance is paid by the seller, the transfer of goods to the buyer is effective when goods have passed the ship's rail at the port of shipment.  
2. No obligation for the seller.  
3. Inland transport may be the main transport.  
4. Storage will be for the seller's account before clearing customs. Once cleared, it will be for the buyer's account.
